#### THE PIG

Universal City, California

For four years, Angelenos have hit The Pig on La Brea to satisfy their cravings for pulled pork, barbecue ribs, and brisket. Now Memphis-born co-owner and chef Daly Thompson is smoking out Universal CityWalk, the retail complex next to the famed studios. We are particularly partial to, well, the pig: Thompson's pulled pork sandwich with spicy barbecue sauce and coleslaw is the real deal. But save room for Apple Rumble Crumble, one of the yummy desserts made by Daly's wife, Liz.
